

ELIGIBILITY CRITERIA FOR ALL BEACON LODGE CAMPERS:

Campers with acute medical conditions that could result in a medical emergency at camp cannot be accepted.

Campers must be free from communicable disease and provide a yearly physical form & current med sheet.

All campers will be evaluated on a case-by-case basis to determine proper session placement based on the campers individual needs. Administration reserves the right to assign campers to specific sessions due to staffing & camper needs.

The minimum age of an adult camper is 18 and the maximum age of a child camper is 17. The upper age limit for adults is based on health, safety in a camp setting, and assistance needed.

No camper will be permitted to attend camp if he/she displays physically/verbally aggressive tendencies (i.e.) punching, biting, scratching, kicking, and/or obscene/offensive language. If the camper has a history of these behaviors, please reconsider registration, campers that display these behaviors will be sent home. It is the caregiver's responsibility to pick the camper up within 12 hours of the phone call. If a camper is called to be sent home and there is no available contact, that camper will not be permitted to return the following year.
